Wir laden Sie herzlich ein, an unserer jährlichen Konferenz über die Chirurgie des Iliosakralgelenks teilzunehmen. Die CoVid19-Pandemie hindert uns immer noch an öffentlichen Sitzungen, so dass die ICSJS 2021 ein Video-Meeting sein wird. Vorträge werden vorab aufgezeichnet und live präsentiert. Jeder Vortrag umfasst 10 Minuten Präsentation und 5 Minuten Diskussion. Medizinprodukt-Partner können die Gelegenheit nutzen in den Pausen und nach Abschluss des offiziellen Programms ihre neueste Technologie (jeweils 15 Minuten) zu präsentieren. Fortbildungspunkte sind für die Veranstaltung bei der Ärztekammer Nordrhein beantragt. Zur Registrierung klicken Sie auf die Anmeldung oben.

E. Jeffrey Donner, 1. Vorsitzender
